SUBJECT: POST RESPONSE TO FILM RELEASE - HERMOSILLO

REF: State 008993

11. (SBU) RSO discussed reftel with with Post Management. Based on Post's current threat level, the size of the Muslim population in our Consular District, and the lack of past protests or demonstrations, Post's Management decided that an Emergency Action Committee Meeting was not called for at this time. Post decided against the need to issue a Warden Message at this time. Post will continue to monitor events and if circumstances require and Post will adjust it's security posture as needed.
